PTO

Giant & Nell's School Rewards

Dear North Dickinson Families,

As part of our easy and "hassle free" fundraising we ask that you take a brief moment and please register your Giant A+ Bonus Cards and Nell's Shurfine Gold Cards. This is a really easy way for our school to make money since shopping for groceries is part of everyone's lifestyle! You can help out even more by including family and friends. All you have to do is provide us with your bonus card numbers, we give them to Giant and Nell's as designated for North Dickinson Elementary School and our school will earn 1% of everything you spend. Best of all, there is no cost to you. You can give us card numbers for parents, grandparents, neighbors and friends too -- the more numbers we collect, the more we can earn for our school. **This money is used for important supplies and activities for our children such as field trips, weekly readers, library books, classroom parties, assemblies and much more!**

Please send in your bonus card numbers with your child and we will take care of the rest. We would like to have the numbers returned to school by **September 13th 2013** so we can get them registered and start earning our rewards. (Please note that if you miss the deadline, it's okay, we can accept your Bonus Card Numbers anytime!)

Target School Rewards

If you use a Target Visa Card you can register your card to earn money for our school. Simply log on to www.target.com and click on RedCards. Register your visa card and Target will send our school a reward check twice each year. It's simple and "hassle free"!

Thanks for your support!
